

## **PUBLICATION NOTICE: Distributor COMSOL Conference**

By signing below and attaching and/or describing your abstracts, papers, presentations, audiovisual files, model files, and other materials on the attached Exhibit A ("Contributed Materials") for submission to COMSOL AB and/or any of its subsidiaries or affiliates (collectively, "COMSOL") and/or to any of their distributors, now or later, I understand that:

- I (including my employer or any coauthors, if relevant) retain all ownership rights, including any copyrights, in the Contributed Materials with no limits on my (or their) right to publish and distribute such Contributed Materials or to authorize others to do so.
- I am granting COMSOL and its distributors a sublicensable, nonexclusive, royalty-free, perpetual, worldwide, and unrestricted license to use, copy, publicly display, publicly perform, and prepare derivative works of the Contributed Materials, in whole or in part, and to distribute to the public copies of the Contributed Materials and derivative works thereof, in whole or in part, as part of the COMSOL Conference materials and proceedings and otherwise.
- The license I am granting includes the right to reproduce the Contributed Materials and derivative works thereof in hard copy or electronic form, to archive the Contributed Materials and derivative works thereof on one or more COMSOL websites and on its distributors' websites, and to distribute the Contributed Materials and derivative works thereof in any manner.
- COMSOL and its distributors will provide credit for all Contributed Materials to the respective authors, and I authorize COMSOL and its distributors to use any names, images, likenesses, and biographical information of myself and others that I submit.
- I am representing and warranting that:
  - I have sufficient rights and/or authorization to grant COMSOL and its distributors the rights provided herein, including authorization with respect to any Contributed Materials in which my employer and/or any coauthors have any right, title, or interest;
  - None of the Contributed Materials infringes any intellectual-property, proprietary, or other third-party rights; and
  - Any COMSOL Multiphysics<sup>®</sup> software used in connection with the Contributed Materials has been used solely by authorized users pursuant to a valid license.
- This Publication Notice contains the entire understanding of the parties with respect to the subject matter and supersedes all other proposals, agreements, representations, and understandings, with the exception of the COMSOL Software License Agreement; and this Publication Notice may not be changed except in a writing signed by me and an authorized COMSOL representative.
